

MRS. E. SHOOP EXPIRES AFTER 2ND OPERATION

Mrs. Edwin Shoop, 59, proprietress of a beauty shop on Lincoln Highway West for many years, died suddenly this morning at 11 o'clock at the Harrisburg Hospital where she had been rushed by ambulance Thursday afternoon suffering from a blood clot in the right leg.

Mrs. Shoop complained of a pain in her right lower leg, below the knee, about 3:30 o'clock on Thursday afternoon. She was at her place of business and when she was unable to walk on the leg she summoned a neighbor who helped put her into bed. Dr. Raymond F. Sheely was called about 4 o'clock and diagnosed the ailment as a blood clot of the leg and ordered her immediate removal to a hospital.

Members of the Gettysburg Fire department "did a wonderful job" in getting the family's permission for her removal (all being out of town at the time) and in about 15 minutes were enroute to Harrisburg with Mrs. Shoop in the ambulance.

Second Operation

At 9 o'clock Thursday evening Dr. Benjamin Musser, of Harrisburg, and Dr. Sheely conferred and it was decided to operate.

ASSEMBLY OF SERVICES UNIT HOLDS SESSION

The general assembly of the Adams County Council of Community Services at its annual meeting Thursday at the VFW home elected two officers, made committee assignments for the year and sent letters of commendation to the county commissioners for their efforts toward a new county home and to the Woman's Club here for handling the Holiday Bureau.

Mrs. Mary S. Wilson, county librarian, was elected first vice president and the Rev. Fr. Alexius Arnoldin of St. Francis Xavier Catholic Church, second vice president. The resignation of Arthur J. Roth, a former council president, was announced.

Mrs. Franklin R. Bigham and Miss Ellen R. Miller attended as representatives of the Adams County Crippled Children's Society, newest member of the council. There are now 33 member units and three more groups have been invited to join. Twenty-one delegates and seven guests attended with Mrs. Henry T. Bream presiding.

Assign Committee Jobs

A study of means by which family needs might be better met in time of disaster, requested by the county ministerium, was referred to the welfare division for a review and recommendation. There will be a report in April.

Speakers were Harry Smith on recent changes in Social Security and Attorney John D. Thrush on legal aid.

These committee assignments were made: Health division, Mrs. David Blocher, Miss Mildred Eden, co-chairmen; Mrs. William Holtzworth, Rev. H. G. Stuepfle Jr., James Schwenk, Sterling Musselman, Mrs. J. E. Codori, George Fissel, Dr. R. F. Sheely, (Continued On Page 3)

Mrs. Guy Swope To Talk To Democrats

Mrs. Guy Swope, Harrisburg, will be the speaker Monday evening at a meeting of the Women's Democratic Club of Adams County to be held at 8 o'clock at the YWCA.

New officers of the club will be installed by the regional director, Mrs. Atha Wise, of Harrisburg. The local president, Mrs. Sewell E. Kapp, said the meeting will be open to guests. She also reminded that 1959 dues are due.

\$16,000 WORTH OF PORCELAINS GIVEN COLLEGE

Gettysburg College has received fifteen Chinese porcelains appraised at \$16,000 from John H. Hampshire, Baltimore, contractor and collector of rare oriental art objects.

The porcelains are actually worth thousands of dollars more than their appraised value, according to Dr. Chao Ming Chen, 76-year-old Baltimore dealer in Chinese antiques and former teacher of the Chinese language and classics at Johns Hopkins University.

Hampshire, 68, says he has reached the point in life where he wants to share his beautiful porcelains with others. He plans further gifts to colleges, particularly Gettysburg, which he says has a deep appreciation of Chinese culture.

Dr. Harold A. Dunkelberger, assistant to the president, accepted the gift on behalf of the college. Dr. Frank H. Kramer, professor of oriental art, was instrumental in alerting Hampshire to the interest of Gettysburg College in acquiring such art objects.

Two Valuable Pieces

The benefactor is head of John H. Hampshire, Inc. with offices in five cities and business in ten states.

Two outstanding porcelains in the collection are from the Gallery of The Famous Ten Porcelains which were given to a Mr. Tung by the Empress Dowager Tzu Hsi.

The first is a Lang Yao (three colors) vase 16 1/2 inches high, made during the reign of Emperor K'ang Hsi, 1662-1723. It was appraised at \$4,000 but is "far more valuable" according to Dr. Chen.

The second is an underglaze red bottle-shaped vase decorated with floral scrolls. It is 12 1/2 inches tall and of the Ming dynasty, 1368-1643. Its appraised value is \$3,000 but, again, has more real value.

College Is Given Grant Of \$254.18

President Willard S. Paul of Gettysburg College today announced receipt of a \$254.18 unrestricted grant from the Gulf Oil Corporation, Pittsburgh.

The sum is a part of the "direct grants to independent colleges" section of the corporation's aid to education program. "It contributes to the economic well-being of privately operated U. S. colleges and universities and to the growth and effectiveness," said M. G. Gulley, of the corporation's education committee.

12 Miners Are Trapped Or Drowned In Coal Mine; 33 Escaped; Fear Rising River

PITTSBURGH, Pa. (AP) — Crews tried today to stop the rain-swollen Susquehanna River from pouring its freezing waters into a nearby anthracite mine where 12 miners were either trapped or drowned.

Thirty-three other miners escaped a watery tomb when the rushing river suddenly ate a hole into the Knox Coal Co. tunnel at nearby Port Griffith just before noon Thursday.

"We never heard the water come in at all," one miner said. "It was just there."

Seven men, some aided by a map of the complicated miles of ancient coal tunnels, got out by climbing an air shaft several hundred yards upstream from the hole.

No Others Rescued

Twenty-six others wandered through the maze of tunnels in waist-deep water for seven hours before a rescue team found and brought them to safety up the air shaft.

LONG TELLS OF WATER AS HELP AND AS HAZARD

The importance of water and soil and the role of water as both help and hazard were discussed by Richard Long, work unit conservationist of the local Soil Conservation Service office, at a meeting of the Adams County Soil Conservation District and farmer-co-operators in the court house Thursday night.

W. C. Jester, Biglerville R. 2, secretary-treasurer of the district, reported on the activities and accomplishments in 1958. He reported acreages in which various conservation measures had been applied, as follows:

Conservation crop rotation, 372; cover cropping, 460; stubble mulching, 41; contour cropping, 219; strip cropping, 219; contour orchards, 75; permanent hay, 91; pasture planting, 555; pasture improvement, 798; tree planting, 452; and obstruction removal, 428.

Construction Work

There were 11,475 lineal feet of diversion terraces constructed; 2,700 feet of grassed waterways, 1,650 feet of terraces and 24,019 feet of open drains. Tile installed was 39,041 feet.

Seventeen ponds were built. Water, Long said, is "one of the most abundant substances" and "one of our most important compounds. It is used to transport food for plants, in the soil, through the roots, in the plant through the veins. It is used to keep the plants cool."

"The same water furnishes transportation for boats, carrying food and raw materials through rivers, canals, lakes, seas and oceans," Long cited its uses in logging, cooling engines, in providing water-power for mills and hydro-electric plants.

To Transport Cherries

"In our canneries in Adams County, an abundance of water is needed to wash the fruit, transport it throughout the plant, and in the form of steam, to cook it. Some of our fruit men are toy-

African Mission Work Described

Twelve years of missionary work in Tanganyika, East Africa, were described by the Rev. Fr. Robert McCraley, C.S.P., in a lecture, illustrated with color slides, at a meeting Thursday night of the National Council of Catholic Women of St. Francis Xavier Parish in Xavier Hall. The Rev. Fr. McCraley also displayed a number of items of East African native handwork. The missionary was introduced by the Rev. Fr. Anthony F. Kane.

Mrs. Wayne Asper, president, conducted the meeting. Plans were discussed for a Day of Recollection Sunday, March 1, at St. Joseph Academy, McSherrytown, and for attendance at the diocesan convention to be held in Steelton April 20. For the latter event, the possibility of chartering a bus was discussed.

For its spiritual project for Lent, the group decided that members will attend the Stations of the Cross each Thursday at 7 p.m., beginning February 12. Hostesses for the meeting were Mrs. James Sneeringer and Mrs. Richard Eberhart.

AUXILIARY MEETS MONDAY

The regular meeting of the Annie M. Warner Hospital Auxiliary will be held Monday afternoon at 2 o'clock in the board room of the hospital. Walter B. Dillon, administrator of the hospital, will speak. Members are reminded to bring or send an apron for the bazaar.

An action in trespass for trial is that of Bay Food Products Co., Baltimore, against Raymond D. Aldridge, Hanover R. 5, as a result of an accident between a truck and car December 17, 1957, five miles north of Hanover on the Cross Keys Rd.

Another damage action is that of Joseph Yealy, aged 9, and his father, Frederick Yealy, against Frederick Gallagher Hanover R. 4, and C. J. Gallagher, trading as Gallagher's Used Auto Parts, as a result of an accident May 2, 1957, when a car owned by C. J. Gallagher and driven by Frederick Gallagher struck the Yealy boy.

An assumpsit action between Cumberland Construction Co., Le-moyne, and Maitland Brothers, Littlestown, is scheduled. The matter pertains to rentals and damages to machinery.

Also scheduled is the equity action brought by Paul G. and Jean E. Witt, Highland Ave., against Steinwehr Development Corporation and Howard Johnson Motor Lodge, Gettysburg.

HOME FROM CHICAGO

Carl A. Baum, advertising manager of The Gettysburg Times, returned Thursday from Chicago where he attended the 82nd meeting of the Newspaper Advertising Executives' Association which opened Sunday. The meeting launched a concerted drive by newspapers across the nation on "total advertising selling."

Will Clear Mine

Worried relatives and townspeople watched quietly from the edge of the cliff as the crews worked hour after hour to stop the flow of water.

Until it is, said Mine Supt. Robert Groves, rescue crews won't be able to begin pumping out the mine. The mine, he said, will have to be cleared before the search begins for the 12 missing men.

The water pouring into the mine also posed a serious threat to the economic life of the Wyoming Valley.

Observance Of Local Civil War Events Is Favored By Commission, Says Staffer

Preliminary plans for local observance of the centennial of the Civil War were outlined Thursday evening at a meeting of more than 100 representatives of various groups from Adams County, Carlisle, Chambersburg and Hanover.

The session was held in the Adams Electric Cooperative Building, rear of N. Stratton St., under sponsorship of the Gettysburg Civil War Commission.

A recording of the talk by Mr. Jones will be broadcast at 7:30 o'clock this evening over WGET.

War Round Table with Virgil C. Jones, Civil War historian and author and member of the Civil War Centennial Commission staff as the principal speaker. Henry M. Scharf, a member of the Advisory Committee to the commission, presided.

The purpose of the meeting was to urge local groups to plan observances of Civil War events that occurred in their communities.

Plan Local Observance

Harold Hays and Lee B. Hoover, representing Chambersburg, said there was a possibility of marking observances in Chambersburg. G. M. Diffenderfer, Carlisle, said that Carlisle Barracks history in connection with the war will probably be observed. Burgess Leighton C. Taylor, of Bendersville, said that community will mark formation of two companies of men there, and the placing of a flag pole as part of a patriotic gathering at the beginning of the war. Curvin Heiss of the local Company K of the North-South Skirmish, urged establishment of 24 similar companies in the county recreating the 24 units that left the county to take part in the Civil War. Charles Diller, Hanover R. 1, said that the "Battle of Hanover" will probably be observed.

Local Observances

Jones told the group: "There will be a few reenactments of the more famous battles, first Manassas, Gettysburg and others. But we feel that probably most important will be the grass roots program, the observances marked by churches, fire companies, communities, Civil War Round Tables

to remind people locally of what their communities did during the Civil War.

"Markers should be placed on historic sites, for we are reaching the point where the actual sites of many events will be forgotten if they are not marked."

"You may say that we know all about the Civil War. But there is much that is unknown. The true history should be gotten together during the centennial period. Each community can make a contribution to the national knowledge by uncovering its own Civil War history."

"Plan Mobile Museums"

"Since the Civil War Centennial Commission was established we have had a tremendous response. Oregon, for example, may seem far removed from the Civil War, but we learn from Oregon residents that there were seven incidents of hostilities in Oregon during

Roy Miller was introduced as a new member. Further plans were announced for the awards banquet next Thursday.

88 Known Dead From Destructive Flood And Other Storms In 14 States; Loss In Property Will Run Into Many Millions

COLUMBUS, Ohio (AP) — The highest flood waters since 1913 ruptured a sandbag barrier at Chillicothe today, inundating more than a third of the 162-year-old city.

A massive cold wave knifed across the Eastern half of the country today in the wake of winter's most severe and destructive weather, which left a heavy toll of dead and homeless.

Storms abated, and floods in some areas appeared easing. But the punishing blows from the violent midwinter snow, sleet, and rain storms and floods left many sections staggering.

Conditions were in the disaster stage in some of the flood-stricken regions.

At least 88 persons were dead from floods and other effects of the storms in 14 states from New Mexico to the Eastern seaboard.

Loss In Millions

Damage to property was in the millions of dollars. No estimate could be made of the human misery and suffering in the flooded sections of Ohio, Pennsylvania,

COUNTY FFA BOYS SWEEP 61 HONORS

Adams County Future Farmers of America won 61 placings out of 115 awarded in the annual area project contest held for the FFA of Adams and Franklin Counties.

Judging of the project books took place Thursday night at the Chambersburg High School with the agricultural education teachers of the two counties as judges. The winning entries in the area event will be entered Monday in the state FFA project contest. Richard C. Lighter, supervisor of agricultural education for the two counties, will be one of the judges in the state event.

New Pastor To Be Installed Feb. 1

The Rev. Henry Early, pastor-elect of the Flohr's Lutheran Church, has moved into the parsonage with his family and will preach his first sermon as pastor at Flohr's Church on Sunday.

Plans have been made for a reception next Tuesday evening at 7 o'clock in the Cashtown Fire hall for the Rev. Mr. Early, his wife and their nine-year-old son, Luther. A program has been arranged and refreshments will be served.

The installation of the new pastor will take place February 1 at the 9 a.m. service with the Rev. Arthur Yeagy, Harrisburg, assistant to the president of the Central Pennsylvania Synod, to be in charge.

The Rev. Mr. Early, who comes here from Newville, is a graduate of the Lebanon Valley College and Mt. Airy Seminary. He succeeds the Rev. Mahlon Clarke, who left Flohr's early last fall for a charge in Lancaster.

Board Elects Later

Mrs. Raymond Hale, Arendtsville, was elected to serve out the unexpired one year of the term of Lewis M. Bosserman, Arendtsville, who resigned earlier this month. The elections took place after the report of the Nominating committee was presented by the Rev. Nevin R. Frantz, Arendtsville, for the chairman, the Rev. Francis Reinberger.

Mrs. Frank N. Hewetson, Gettysburg R. D., was introduced as the person who will direct the organization of the "Friends of the Library." She said a steering committee is being chosen for the group intended to publicize library services and provide additional financial support.

Officers of the board will be chosen at the February meeting of the board.

"Our Deep Concern"

President Keefer traced the history of libraries from the pre-Christian days of the Babylonian empire to the present and said: "Our library is a very important institution for Gettysburg and Adams County. A library upgrades any community. It provides us for increasing leisure time and exerts an immeasurable influence for good upon our young people. It increases property values and reaches homes at all social levels. "No school library can afford or has the capacity to handle all the books the pupils need. A survey last fall showed that our county library has as many books as all of the school libraries in the county combined and is increasing its book supply faster than the schools can."

"It is our aim to provide the best possible library service for Adams County within the limits of our resources. We need a larger staff but I am very proud of our present personnel and the job they are doing. We constantly need to buy more books and we must increase our budget to meet those needs. Our deep concern is that more citizens get acquainted with our library, its services and its

His weekend guest will be an old friend, George E. Allen. Eisenhower plans to return to the White House Sunday.

4 DIRECTORS ELECTED FOR CO. LIBRARY

Two directors of the Adams County Free Library Association were re-elected for three-year terms and two new directors chosen at the annual meeting of the library association Thursday evening at the main library on E. High St.

With President C. P. Keefer presiding, library needs, both immediate and long-range, were discussed by library officers and plans announced for the organization of "Friends of the Library" throughout the county.

President Keefer and Mrs. Leon D. Roos, East Berlin, were re-elected for three-year terms on the board and Mrs. Robert C. Lott, Aspers R. D., was named to succeed Dean Asquith, Biglerville, on the board for the next three years. Mr. Asquith's term had expired.

Board Elects Later

Mrs. Raymond Hale, Arendtsville, was elected to serve out the unexpired one year of the term of Lewis M. Bosserman, Arendtsville, who resigned earlier this month. The elections took place after the report of the Nominating committee was presented by the Rev. Nevin R. Frantz, Arendtsville, for the chairman, the Rev. Francis Reinberger.

Highland Twp. residents and property owners paid \$19,639.69 in taxes during 1958, according to the annual report of Tax Collector J. H. Scott filed with the county clerk of courts. The collection was made at a cost of \$782.93 of which the tax collector received \$685.49.

The 179 properties assessed for real estate taxes and the 297 listed for per capita tax paid \$2,334.32 to the township, \$13,979.86 to the school district, \$2,346.25 to the county and \$979.26 to the institution district. The township has a five-mill levy on real estate and a \$3 poll tax. The school district had a 35-mill levy on property and a \$12 per capita tax. The county tax was 6 1/2 mills and the institution district three mills. Taxes outstanding at the end of the year totaled \$2,140.25.

Engagement

Wirick-Myers

Mr. and Mrs. Melvin E. Myers, East Berlin R. 2, have announced the engagement of their daughter, Dorothy L. Myers, to Leonard J. Wirick, son of Mr. and Mrs. John D. Wirick, Abbotstown R. 1.

The bride-to-be, a graduate of East Berlin High School, is a senior student at York Hospital School of Nursing. Her fiancé is a graduate of Bedford High School.

Observance

(Continued From Page 1)

"There were 1,147 separate events connected with the war in Virginia and many of them will be appropriately marked between 1961 and 1965. We have a chronology of more than 6,500 separate Civil War events which the national commission will make available to the various state commissions to help them in their planning.

"Nationally we are sending out publicity to 3,000 weekly and daily newspapers. We have contacted the major oil companies and the American Automobile Association with the hope that they will prepare special centennial road maps to help those wishing to attend observances. We plan mobile museums, and are seeking the backing of some foundation to have something like the Freedom Train of a few years ago traveling over the railroads of the nation.

"Preserve Shrine"
Scharf said that Pennsylvania has appointed a commission to mark the Battle of Gettysburg and the dedication of the Gettysburg National Cemetery. He said that the observance otherwise in the state should be marked through a program set up by the state historical commission.

Cliff Arquette, known nationally as "Charley Weaver" of TV fame and locally as owner of a museum that will open March 1, urged increased efforts to preserve Gettysburg as a national shrine. "There are people who would like to put a hot dog stand at the Highwater Mark. We need a program of education among many of our own people to let them know what a great thing we have here, and what a tremendous interest there is in it. I've stepped out of character to mention Gettysburg on TV and I'm getting 1,500 letters a week, a large number of them from young people. The interest nationally is tremendous."

Chester S. Shriver, secretary of the Pennsylvania Department of the Sons of Union Veterans, told of plans of the GAR-allied organizations nationally to hold a joint meeting with the Sons and Daughters of the Confederacy here in 1963.

Other Endorsements
Burgess Wilbur Plank said: "As Burgess of Gettysburg, I'm sure the people of Gettysburg will do their share when their mission is assigned to them."

Robert Weiland pledged the cooperation of the Gettysburg Junior Chamber of Commerce to all plans. Arthur Weaver, of the New Oxford camp of the SUV, pledged his organization to promote the centennial observance there.

J. Melchor Sheads, president of the Adams County Historical Society, reported on a project being carried out by high school students to determine the amount of damage in Gettysburg during the battle. William G. Weaver reported plans for a meeting on the establishment of an outdoor drama here to be written by Paul Green.

At the conclusion of the meeting G. Henry Roth, president of the Civil War Round Table, announced that a committee made up of representatives of the various groups will be called in the near future to promote the Civil War plans.

Dr. Robert Fortenbaugh and Leighton C. Taylor suggested that the committee be formed much as was the committee which arranged for the observance of the 150th anniversary of the county.

Must Send Postage For Dog Licenses

County Treasurer Clark E. Spence today asked all persons who mail applications for 1959 dog licenses to include return postage with their applications. Otherwise they will fail to receive the license.

Spence pointed out that many dog owners remit the proper fee but fail to include the necessary return postage. This requirement is stated on every application and it must be complied with in order to obtain the license.

He explained that all notary publics, justices of the peace or aldermen requesting dog licenses by mail must follow the same instructions. The application should be completed, contain the necessary fee, a stamped addressed envelope or a four-cent postage stamp.

The applications should be mailed to the county treasurer's office at the court house, Gettysburg.

Emmitsburg

LENGTHY TALK ON JUVENILE GRANGE HELD

A lengthy discussion was held concerning the reactivation of the juvenile grange at the meeting of the Emmitsburg Grange held Wednesday evening at the high school, but no definite plans or action was taken. It will be debated in the near future.

Master Bernard Welty presided with 31 members in attendance. A note was read from Mrs. Clara Harner thanking the grange for the gift presented her at the banquet. It was announced that a meeting of the Pomona Grange will be held January 31 in the Thurmont High School at 10 o'clock.

Anyone desiring to donate feed or grain to Leonard Long, whose barn was recently destroyed by fire, was asked to contact Raymond Keilholz, who will pick up and deliver the supplies.

A movie on Bank's disease was shown by the group by Robert Stansfield, assistant county agent.

Master Welty thanked the banquet committee, consisting of Mr. and Mrs. Edward Meadows and Mrs. Anna Margaret Martin, for "the splendid job done at the recent banquet." The next meeting will be held February 4.

Refreshments were served by Mrs. Rose Wivell and Mrs. Margaret Meadows following the business meeting.

MRS. E. SHOOP

(Continued From Page 1)

The removal of the blood clot was successfully completed and Mrs. Shoop's condition was considered satisfactory throughout the night until about 6 o'clock this morning when she went into shock and complained of abdominal pains.

Surgeons and physicians were summoned and they decided to perform a second operation to determine the cause of the new development. This was performed at 9:30 a.m.

The second operation was to remove a blood clot in an artery in the intestinal tract. An autopsy was to be performed this afternoon.

Mrs. Shoop told her beauty parlor patrons this week that she planned to close her business on March 1.

Surviving are her husband and two sons: Edwin Shoop Jr., formerly an announcer for WGET and for the last several years with WBAL-TV, Baltimore, and John Shoop, Levittown. There are four grandchildren and a sister, Mrs. Daniel Kendall, Hagerstown.

Mrs. Shoop was the former Miss Mildred Cox and was a native of Virginia.

Funeral arrangements are being made through the Peters Funeral Home, Carlisle St., and are incomplete.

Members of the Upper Adams Young Farmers' Association made a field tour Thursday to the Ryland and Harold Garretson fruit farm, Aspers R. 1, and the Richard Slaybaugh fruit and general farm, Biglerville R. 1. At the Garretson farm they visited the cold storage plant with room for 12,000 bushels. They saw a power lifter, pallets, grader, tray packing operation and the farm shop for repairing equipment.

At the Slaybaugh farm they saw new automatic electrically-powered feeding system which requires eight minutes each morning and evening to feed steers. Liquid feed, morea, powdered minerals, chop and ensilage are used. Mr. Slaybaugh has 35 steers and 100 hogs. Other equipment seen at the farm was the automatic silo unloader and the feed bin storage.

The group discussed having a pruning demonstration early in February. On Thursday the farmers will go to the Walter Ryman farm, Centre Mills, for a dairy field trip.

The name of Jane Wright, assistant pianist, Primary-Junior Department, was omitted from the list of officers of the Sunday School of Christ Lutheran Church, Aspers, published in Thursday's paper.

District Scout Leaders Gather

The first in a series of "Roundtables" for Scout leaders of the Black Walnut Boy Scout District was held Thursday night at the Albert J. Lentz American Legion home, Baltimore St., for officials of the scout troops, with Alfred Bashore, assistant district commissioner, and Field Scout Executive Stanley C. Rogers in charge.

A number of ceremonies for investiture of Tenderfoot Scouts were demonstrated. The program for February on first aid was outlined with the scoutmasters asked to hold contests on first aid at patrol levels.

Different types of Parent Nights were outlined. The Scoutmasters were urged to develop a year's plan of activities for their troops.

Because of the University of Scouting in February and March, it was decided to hold simultaneous round tables for Cubs, Scouts and Explorer leaders April 14 at Gettysburg High School with Troop 79 of St. James Lutheran Church serving as the host troop.

HEALTH STAFF WORK MOUNTS IN THIS REGION

New problems in control of occupational diseases and continuous need for surveillance of former known hazards have greatly increased the responsibilities of the Regional Occupational Health Staff of Region V Office, Pennsylvania Department of Health, serving Adams County.

A staff of four comprised of the regional industrial hygienist, Haven L. Williams, and three new assistants are assigned to Region V from the Division of Occupational Health, Bureau of Environment Hygiene, in the department's Harrisburg headquarters. The industrial hygienists recently added to the staff are Andrew J. Major Vincent R. Moloney and Warren C. Mawhinny.

The occupational health program is designed to assist industries in making adequate provisions in all plant operations for protection of workers against known or potential hazards. These hazards include toxic dusts, mists, fumes and gases, and physical states of the environment such as temperature, radiant energy, noises and ionizing radiation. Other possibly harmful conditions in the working environment are mechanical factors such as pressures, physical strength and movement, and infectious agents such as anthrax.

The industrial hygienists visit industries on request of management or complaint of employees to evaluate hazards. This is done by surveying conditions and processes, taking samples of suspected hazards such as dusts, gases or harmful chemicals, and making laboratory analyses of the samples. Reports of findings and recommendations on changes in processes or equipment, as may be needed are made to plant management. Changes may relate to improving ventilation, plant house-keeping methods, use of protective equipment such as gloves or masks, and more training or supervision of workers with regard to dangers. In some instances changes in processes are recommended if all other measures would be unavailing to prevent possible industrial disease. Re-

To Hold Reception For New Potentate

A full evening's entertainment has been arranged for a reception in honor of the newly elected potentate of Zembo Temple, Dale W. Fohl, and his divan Saturday night at Zembo Mosque, Third and Division Sts., Harrisburg.

Other members of the divan include: Fuhrman F. Bailey, chief rabban; Richard D. Wampler, assistant rabban; Charles A. B. Heinze, high priest and prophet; T. Dale Taylor, oriental guide; Harry G. Harman, treasurer, and Robert A. Wagner, recorder.

Doors of the mosque will open at 7 p.m. Following an organ recital, Zembo's Band, under the direction of P. Spurgeon Young, will give a half hour's concert, after which Past Potentate Frank J. Evans will take charge of the opening ceremonies. An honor guard will be formed by the Temple's uniformed units to escort Potentate Fohl and his wife and family to the stage. The Zembo units participating in the honor guard will include the Chanters, Police, Patrol, Drum and Bugle Corps, Oriental Band, String Band, Mounted Patrol and Directors.

Checks are made by the industrial hygienists to determine effectiveness of improvements.

Littlestown Man Is Honored By Jaycees

Herbert H. Sterner Jr., 24, Littlestown R. 1, was named the outstanding young farmer in the Hanover area Thursday night at the annual Bosses, Night-banquet of the Hanover Junior Chamber of Commerce.

An engraved Jaycees plaque was presented to Sterner by Richard A. Pennay, farmer field man of the State Agricultural Stabilization and Conservation committee, who served as chairman of the judging committee.

The honored farmer, who also will receive gifts from implement and feed dealers, will enter the state-wide Jaycees competition. Sterner, who has been engaged in farming since his graduation from Hanover High School, is married to the former Constance Louise Rinker. Both are former Hanoverians and the parents of five children—Herbert III, Timothy Allen, Victoria, Peggy and Michael.

The Young farmer was cited for his outstanding accomplishments as operator of the 138-acre Sunnycrest dairy farm near Littlestown. Pennay, is presenting the award, said Sterner's 69-head of Guernsey cattle include a 1958 all-American cow and five class leaders.

ing with the idea of transporting cherries in water to the canneries. While water is needed in abundance, Long pointed out that sometimes "we receive more water through storms than we need or want. How well we can recall the recent floods, the havoc left in their path." He said people "take a chance" building within a foot or two of floor stage and "crossing their fingers."

Similarly, on the farm, Long said, "we farm in such a manner that we fall in the class of the driver who is trying to climb the slippery hill without proper traction. He almost made it the first time, but each try he has less success." Long likened this to ignoring sound soil and water conservation practices. "Each time we plow and crop the field our chances of maintaining our yields becomes less."

Stop Punishing

Long described the various types of soil in Adams County and detailed the water handling proper, as of each, relating these to fertility and yield. He advised against "punishing our soils" and urged that well-planned and installed conservation measures be undertaken to survive both storm and dry season.

C. J. Waybright, R. 2, district president, conducted the meeting. Other district members are Robert C. Lott, Aspers R. 1; Bernard Klunk, New Oxford R. 1; and E. Donald Scott, county commissioner member.

A film was shown on the state plowing contest last summer at Hershey and another, "Our Heritage," on the damage and loss to the nation's soil through lack of good soil and water practices.

Budget Needs Explained

Dr. Frank Hewelson, treasurer, gave his annual report showing that the library began this year with a balance of \$138 in its general fund and with the mortgage reduced from \$11,229 to \$10,535 in the last year. He said the board hopes to cut the mortgage an extra \$500 in 1959. He said the new heating plant installed last summer has been paid for by the generosity of library friends.

The tentative budget for 1959 was presented by H. Thomas Pyle, Finance committee chairman. With extra support needed from local sources, he said a 5 per cent budget increase is

23-Day-Old Baby Kidnaped From New York Apartment; Police Seek Cuban Woman

By THE ASSOCIATED PRESS

NEW YORK (AP)—A woman kidnaped a 23-day-old child from a West Side apartment Thursday. It was the city's second baby abduction this year.

Police and the FBI had teamed up in an all-night search of the Manhattan area where the child lived.

Missing from his family apartment was John Tavaraz, whose mother had been sent off on a wild-goose apartment hunt by a woman she met just two days ago.

The grief-stricken father broadcast a radio and TV appeal for the baby's return.

"Obviously Pregnant" Authorities described the woman being sought as 5 feet 2, weighing about 160 pounds, having brown hair with blonde streaks, and "obviously pregnant." They said she was wearing a dark blue coat and black shoes, and probably was Cuban. They said she was wearing a "slave bracelet" chain on her left leg.

Two other Tavaraz children, Josephine, 5, and Dorie, 3, also left in the care of the missing woman, were found in the apartment of a neighbor.

The distraught mother, Mrs. Doraliza Tavaraz, 31, said she had met the woman Wednesday at

Metropolitan Hospital, where she brought the little boy for treatment of a cold. The mother said the woman had given her name as Mrs. Gladys Garcia and told her she was receiving prenatal care at the hospital.

Help Find Apartment

Mrs. Tavaraz said she was changing John's diaper when the woman came over and helped her.

It was raining, and the woman gave Mrs. Tavaraz and her baby a ride back home in a taxicab. Mrs. Tavaraz said she and Mrs. Garcia had discussed the difficulties of raising a family in cramped quarters. She quoted Mrs. Garcia as saying she might be able to help find a better apartment. The Tavarazes occupy a 1½-room flat.

The Tavaraz family came to this country eight months ago from the Dominican Republic. The father, Jose, 30, works in a Manhattan lingerie factory.

Gave "Good" Address Mrs. Tavaraz said Mrs. Garcia had appeared at her second-floor apartment about 2 p.m. Thursday and given her an address of a "good" apartment in the Bronx, advising her to get there quickly. Accompanied by a family friend, Mariano Dumaz, 29, a bus boy, Mrs. Tavaraz went to the Bronx address. It turned out to be that

of a post office. Mrs. Tavaraz said she had hurried back to her apartment about 4 p.m. and found the woman and her three children gone. She said she wasn't too worried at first because Mrs. Garcia had told her she needed to be home by 3:30 p.m.

Children Were Wandering

Questioning neighbors, Mrs. Tavaraz found her two oldest youngsters in a ground-floor apartment across the street from their home. Police said someone had found the two children wandering about the neighborhood and taken them to a Mrs. Rivera, who often baby-sits with them.

By the time her husband came home from work, Mrs. Tavaraz was hysterical. The couple, after a frantic further search of the neighborhood, called police.

ley in northeast Pennsylvania. After years of working, the anthracite vein under the valley is honeycombed with interconnecting tunnels. The Port Griffith accident forced nearby mines to close immediately as water swirled through the tunnels.

There were fears that mines down the valley might have to be closed, throwing hundreds of miners out of work.

With the first seven out of the mine, 38 remained unaccounted for as darkness settled on the bleak plateau on top of which sits the little town of Port Griffith.

But shortly before 7 p.m. a rescue crew probing tunnels near the air shaft came upon 26 men wading through a nearby tunnel. The men were led back to the shaft and helped up the steep slope by the aid of ropes hauled by willing hands above.

planned. Small salary increases would be provided for that way, he said.

Dr. John Anderson of the board discussed library needs and listed these among others: Renovation of two second-floor rooms to make them more usable; improve lighting on the first floor, new front sidewalks and expansion of staff and physical facilities at the library.

The librarian, Mrs. Mary S. Wilson, told of the recent state library service survey and of the resulting plan for increased state help for libraries if local help is stepped up first to the level of a half mill on market value of real estate in the county. She told of the plan to improve library service here by links with a district library at York.

The printed 13th annual report for the library was distributed. After the meeting there were refreshments served by a committee on arrangements for the meeting that was headed by Mrs. Roos and Miss Ann Faber.

Hauser Heads Musselman's Canning Plant: John Hauser, Biglerville, was elected president of the C. H. Musselman company, Biglerville, at a meeting of the board of directors held at the plant Friday afternoon.

Mrs. C. H. Musselman was elected vice president; Mrs. L. Musselman Arnold, second vice president and secretary; J. Pierce Hollabaugh, treasurer, re-elected, and Elmer Yoder, renamed a member of the board. J. F. Kanagy was elected a new member of the board.

Mr. Hauser was graduated from Temple university in 1932 where he majored in transportation. He went to the Musselman company from the York Motor Express company in 1934 to serve as traffic manager. He has been production manager at the plant since 1939.

County Told To Earmark Funds For New Prison: Recommendations that the county earmark some of its funds for the construction of a new jail "as soon as conditions permit" and that a section of the county home be set aside for development as an infirmary for bed patients were contained in the report of the January grand jury to the Adams county court Friday afternoon.

Attempt To Aid Comrade Cost Countin's Life: Events leading to the death of Pfc. Joseph M. Byer, 19, of Orrtanna, during Marine action in the Pacific are related by Tech. Sgt. Theo. C. Ling, of St. Louis, a Marine corps combat correspondent.

Private Byer, the 16th countin to die in service during this war, was buried near the place where he was killed in action against the Japs.

Sergeant Ling's account states that attempts to rescue a Marine sergeant who was shot by Jap snipers cost the life of Pfc. Byer and Major Glenn E. Fissel, of San Diego Calif.

The Marine correspondent said the story was told him by Marine Sgt. Irvin E. Brown of Rock, Illinois, who was shot when a unit at the point of advance through the jungle was ambushed by the Japanese and who lay in a small ravine unable to move because of his wounds but able to watch as attempts to rescue him were met by the death of the men seeking to advance to his aid.

State Fruitmen Elect F. E. Griest: F. E. Griest, Florida Dale, president of the Adams County Fruit Growers Association, was elected first vice president of the Pennsylvania Horticultural Association at its final session Thursday during the 28th annual State Farm Show.

County Youths Get FFA Honor At Harrisburg: Six Adams county youths, five from Gettysburg and one from Biglerville, were among the 105 members of the Future Farmers of America who were honored Wednesday by the state association of the FFA with the award of the Keystone Farmer degree at the annual convention at Harrisburg.

The five Gettysburg youths are Horace Waybright, Milton Hoffman, Robert Dayhoff, Albert Rudisill and John Horner. The Biglerville student is Earl Starnier. They were accompanied to the meeting by Elmer H. Schriver, Gettysburg agricultural education teacher, and Richard C. Lighter, county supervisor of agricultural education.

Salvage Drive Tuesday Sets Town Record: Gettysburg, in a display of cooperation in the salvage campaign that started even veteran members of the firemen's salvage committee, set an all-time record Tuesday in the January scrap collection.

They had pleaded for five tons of paper because of the great need for paper to keep the state's paper mills running. They found more than eight and a half tons waiting for them when they began their tour of the streets of the town Tuesday evening.

Today's Talk

I FIND A TREASURE
Some years ago Prof. Herbert West, the able English teacher at Dartmouth College, and I sat talking about books at my Nova Scotia island retreat. My friend mentioned the fact that Louis Hemon wrote what may be the outstanding Canadian novel. It was called "Maria Chapdelaine," a story of the early rugged days of a family of pioneers in Quebec.

I got the book, read it, and was inspired by the courage and outlook of those simple hard working men and women. I then knew I would thrill at discovering a first edition published first in France in French. I waited for many years before I unexpectedly heard of this treasure and sent to England for it.

I then, of course, wished to discover the first English edition, the one published by Macmillan. Only this week an English publisher secured for me the edition I wanted—the one published in 1921. The French first printing came out in 1916.

"Maria Chapdelaine" is a remarkable book, full of power, pathos and spiritual beauty. I read where it was described as "a perfect little cameo." You who have never read the book may be affected as I was by the tragic ending—but the characters live today as vividly as when they were alive in the author's mind and heart. With such a dearth of great books being written and published it is a joy and refreshment to read this never-dying classic.

Already the story has been sold to thousands—and deeply appreciated—but it cannot have too many readers. No great book can. Read this book and you will be a better human being. You will carry its love story in your heart!

Tomorrow Mr. Adams will talk on the subject: "Honest Praise"

A REAL LOSS
I still can sing and whistle
When I'm short of dollar bills.
I don't have to have a nickel
To forget my little ills.
I can tread along life's highway

I'm a dead one in the morning
If I'm short of sleep.

**Not for me the bright lights glaring,
Not for me the mazy dance,
Not for me those all night sessions

Need For Household Fats Is Stressed: Dr. Eugene Elgin, scrap collection chairman for Adams county, today called the attention of Adams county housewives to the critical need for household fats in the war effort.

State salvage officials have urged Doctor Elgin to stress the importance of the collection of waste household fats this month. Pennsylvania has been assigned a quota of 1,420,500 pounds of fats for January and Adams county must provide its share if this quota is to be met.

Widow Of Actor Bears His Child

HOLLYWOOD (AP)—Actor Tyrone Power's widow, Deborah, gave birth to a son Thursday—two months, seven days after Power died of a heart attack while making a movie in Madrid. Mrs. Power and the actor were married in Tunisia, Miss. Last May 8. She was Power's third wife. He had two daughters by actress Linda Christian, Francesca, 7, and Taryn, 5. His first wife was Annabella, French actress.

Mrs. Power's baby, born at Cedars of Lebanon Hospital, weighed five pounds, 12 ounces. He was named Tyrone.

100,000 JOBS TO BE FILLED IN NEXT CENSUS

DES MOINES, Iowa (AP)—Patronage-hungry Republicans had a pledge from GOP National Chairman Meade ALCORN today that party officials will have a hand in filling 100,000 census-taker jobs.

With the Republican National Committee indicating approval of an ambitious program to sell its candidacies to the voters in 1960, ALCORN moved to chink up some of the cracks in party harmony.

One of these has been the Eisenhower administration's reputed failure to consult with members of Congress and local officials in handing out federal jobs. Another has been ALCORN's failure to check with congressional leaders on 1960 campaign plans.

For Deserving Republicans
John B. Martin Jr., Michigan national committee member, brought the patronage matter out into the open with the observation that he had been informed the Commerce Department will hire 10,000 persons in its 1960 census operation.

Martin said he wants to be sure deserving Republicans share liberally in this windfall, which he said would provide employment for several months at pay ranging up to \$400 a month.

ALCORN replied that this matter "is well in hand." He said he had conferred with Secretary of Commerce Strauss and other high administration officials and had been assured that the patronage is going to be available through local Republican channels.

One Question Raised
ALCORN lacked any immediate solution, however, of an issue raised by Mrs. Katherine Kennedy Brown, Ohio committeewoman. She contended that Republicans in Congress had not been consulted in advance about the long-range program the chairman laid before the National Committee Thursday.

ALCORN replied sharply that he had drawn up the program at the President's request. He said he had submitted it to Eisenhower as a confidential memo and had not cleared it with anyone.

The fact that he and other GOP leaders in Congress had not been asked for their views before ALCORN laid down his program to the national committee was said to have contributed to the critical blast fired at President Eisenhower Thursday by Rep. Richard Simpson (R-Pa.).

Simpson, head of the Republican Congressional Campaign Committee, won vigorous applause when he proposed that Eisenhower devote to the party some of the "unremitted effort" toward year-around campaigning the President called for from Republican workers.

2 LOSE LIVES IN APARTMENT HOUSE BLAZE

PHILADELPHIA (AP)—A young man and a boy were burned to death last night when fire spread through a south Philadelphia apartment building.

The seven other Negroes in the four-story building were cut off from escape routes and had to leap from windows. All were injured, and one was reported in critical condition.

Police were investigating the possibility of arson.

The body of Robert Holton, 10, was found in a third-floor apartment. His mother, younger brother and aunt had jumped to safety from a window of the apartment.

The other victim, Elijah Porter, 20, was found in the same apartment. He didn't live in the building.

Two children were dropped by their mother from a second-floor window into the open arms of rescuers. The mother jumped after them.

Firemen expressed surprise that more weren't killed, either by the fire or the leaps to safety.

The building had only one fire escape and the blaze started at the foot of the only staircase, firemen said. The flames spread rapidly to the roof.

The upper floors had most of the damage, but an estimate was not made. The fire was brought under control in half an hour.

Youth Who Shot Brother, Insane

PASADENA, Calif. (AP)—An younger brother, describing him as an inferior person who had to die, has been judged insane.

Bruce H. Ginn was ordered committed to a state hospital for treatment Thursday. Five of six psychiatrists who examined him described him as mentally ill.

The boy had not spoken to his brother, Edward, 14, for more than a year at the time he shot him last November when they were alone in the house. He faces a murder trial if he recovers.

MCALLEN, Tex. (AP)—Six Cubans who fled their country after the collapse of the Batista regime conferred with lawyers Thursday, a border patrol spokesman said.

They include Sen. Rolando Masferrer Rojas, his two brothers, a naval officer and two servants. All are held at the immigration detention center here.

A spokesman said he had no idea when and where a hearing will be held for the group who have been held here since Jan. 15.

ADVENTURE ALWAYS LURE FOR DEMILLE

By BOB THOMAS
AP Movie-TV Writer

HOLLYWOOD (AP)—The reason for Cecil B. DeMille's success as a maker of stirring film dramas?

Perhaps because life itself was an adventure for him.

Jesse Laskey recalled when they were producing vaudeville sketches in New York. DeMille told him at lunch one day that he was getting restless and wanted to go to Mexico to get into the revolution and perhaps write about it.

Laskey didn't want to lose his best friend. He seized upon the suggestion of his brother-in-law, Samuel Goldwyn. Said Laskey: "If you want adventure, I've got an even better idea—let's make some movies!"

Made "Squaw Man"

So DeMille set out for the West with his hardy band of movie pioneers to make "The Squaw Man." "We were just little independents bucking the trusts," DeMille recalled recently. "We had \$20,000 tied up, and that was our all. It occurred to me that if we had a fire, we might lose all the film I was shooting so I took to shooting every scene twice. I'd sneak home one negative and put it in the attic."

Made Him Top Director

There was no fire, but the "trust" found a lot of ways to sabotage the little company, DeMille said, and when the picture was done, less than half the film was usable.

"But they didn't know about the second takes. I spirited them out of the house, cut the picture on a train headed East, dropped off at Philadelphia, and had prints made."

"The Squaw Man" cost \$15,500, grossed \$255,000, and DeMille became a top director. But the outbreak of World War I found him restless again.

Made His Choice

"I wanted to get into the war, but I was told I was too old," he said. "I went to an air base in the Midwest, and they told me they would take fliers of any age. So I learned to fly."

For \$5,000 he bought a Jenny from the widow of a flier who had been killed in it in Canada. But by the time he had learned to fly, the war was over.

He formed the Mercury Aviation Co. in 1919 with 12 planes, including two German Junkers flown to California by Eddie Rickenbacker. Eventually he had to choose between aviation and movies and settled on the latter.

19 ELEPHANTS SNARL TRAFFIC

MIAMI BEACH, Fla. (AP)—Nineteen elephants came to town Thursday and snarled traffic something awful.

When the Ringling Bros. Barnum & Bailey Circus pulled into Miami, it was still 10 miles from Miami Beach where the show opens today.

There is no railroad to Miami Beach, so the elephants had to walk.

The shortest route across Biscayne Bay is via Venetian Causeway, but nobody could figure out the toll for an elephant. So the elephants went over the McArthur Causeway, which is longer but free.

The drawbridge, between Miami and Miami Beach, went up to let two boats through.

Traffic was backed up for blocks and police did their best to keep the elephants in the right lane.

PAKISTAN AND IRAN ASK FOR MORE DEFENSE

By JOHN SCALI

WASHINGTON (AP)—The United States has run into difficulties with Pakistan and Iran in negotiating special defense agreements aimed at bolstering them against outside attack.

Both Iran and Pakistan are reported insisting on stronger defense assurances than the United States is ready to extend at this time.

A third country, Turkey, is understood to be satisfied, however, with the draft of an agreement proposed in talks in Ankara.

Hopes Dim

Diplomatic authorities who disclosed the backstage argument Friday said there seems little chance the agreements will be signed, as had been hoped, at a Baghdad Pact meeting beginning Monday in Karachi, Pakistan.

The United States is negotiating the agreements within the Baghdad Pact framework in keeping with a pledge Secretary of State Dulles made in London July 28. That followed the internal revolt in Iraq, one of the original members of the pact.

Dulles said then that the United States would "promptly enter into agreements with nations in the alliance to give them added security in defense guarantees." He proposed doing this under authority already granted by Congress without the need for formal treaties. Such a course would avoid possibly dangerous delays while the U.S. Senate considered and approved new treaties.

The observers say the young firebrands are being blamed. British analysts say party boss Mao Tse-tung intends to devote extra time now to perfecting the commune system. They speculate this is why he offered to resign his nominal post as head of state last month.

JOHNSON BILL IS CRITICIZED

WASHINGTON (AP)—A four-point civil rights program advanced by Senate Democratic Leader Lyndon B. Johnson (D-Tex.) was criticized today both as too much and as too little.

But neither proponents nor opponents of civil rights legislation took strong exception to Johnson's plan.

Sen. Kenneth B. Keating (R-NY) called it largely an imitation of measures he and other Eastern Republican senators have introduced.

He contended, however, that it falls short of the GOP proposals in arming the attorney general with what he called adequate new powers to enforce civil rights.

Sen. Richard B. Russell (D-Ga.), a veteran leader of Southern opposition to any civil rights legislation, denounced what he called "all the political maneuvering" over the controversial issue.

"I see absolutely no necessity or justification for legislation bearing the nebulous but politically attractive label of civil rights," Russell said.

Johnson, who introduced his bill Tuesday in a surprise move, had not previously included civil rights measures in his legislative program for this session of Congress.

Johnson said too much civil right legislation has been punitive. He described his measure as a modest step in a new direction.

NAVY SLOWS PLAN TO START TEACHING IN VA.

RICHMOND, Va. (AP)—The Navy marked time today on plans to put itself in the school teaching business amid mounting talk that Virginia may try to set up a private education system to avoid racial integration.

The Navy announced Wednesday night that plans are set to provide schools for children of government personnel living on military installations in the Norfolk area.

These plans, the Navy said, "will be put into effect if local schools are not reopened within a reasonable time." The Navy didn't say what it meant by reasonable time. Six Norfolk secondary schools have been closed since being ordered last fall to accept some Negro students.

Views Of Governor

In a filmed television program Wednesday night, Virginia's Gov. J. Lindsay Almond Jr. proposed a system of private education for localities that would not permit racially mixed schools.

However, Almond said he saw no alternative to limited integration in some areas. And he pledged that the state will try "as far as possible to save public education" wherever it could be saved in Virginia.

Almond expressed these views in an interview with commentator Edward R. Murrow on the CBS television show, "The Lost Class of '59."

The program was filmed Jan. 8, 11 days before the State Supreme Court and a three-judge federal panel in Norfolk struck down the state's massive resistance laws.

CHINA PURGE IS EXPECTED

LONDON (AP)—Some British experts on the Far East say they think a purge of impatient young men from Red China's new communes is coming up shortly.

The informants say the house cleaning is likely to shift overenthusiastic young functionaries from administrative jobs to manual chores in fields and factories.

The object would be re-education of younger party officials who have ruthlessly pushed development of the communes—vast labor battalions run on military lines—without taking time to adapt them to Chinese family and peasant traditions.

British analysts, studying reports from China, feel the young men have driven China's peasants to water, but have been unable to make them drink.

The observers say the young firebrands are being blamed. British analysts say party boss Mao Tse-tung intends to devote extra time now to perfecting the commune system. They speculate this is why he offered to resign his nominal post as head of state last month.

Lifeline Snowman Brings Out Police

Officers said the man stood motionless as they raced up to him. In fact, they added, he looked frozen stiff.

But how else would a snowman look?

Find Food Costs More With Stamps

WASHINGTON (AP)—A survey shows that customers pay more for food at supermarkets which give trading stamps, but the added cost is more than offset by the value of the stamps.

The Agriculture Department, reporting this today, said its study in 21 cities showed that food prices in

After dropping their first three bouts on decisions, the Biglerville High School wrestling team won six of the final eight bouts with one draw to defeat the West York grapplers 24-14 in a Section 2, District 3 meet Thursday evening at Biglerville.

Two falls, both registered by Biglerville, came during the meet. Dick Roth, 127, pinned Enterline in 5:10, and Gary Wagner, 165, tossed Berkheimer in 3:30.

Barry Birgenstern of the Canners acquitted himself nobly in the 154-pound affair despite dropping a 3-1 decision. He was out-weighted by his conqueror, Murphy, by 24 pounds. Birgenstern entered at 132 pounds as compared to 156 for Murphy.

Johnny Toggas' matmen, now 3-3 overall for the season, journey to Dover next Thursday for another section meet.

BIG O TO BE SEEN ON TV

By DON WEISS

Associated Press Sports Writer
Young Mr. Robertson of Cincinnati, who was awarded an Oscar long before he became a basketball star, tries for a television Emmy Saturday afternoon.

The first appearance of All-America Oscar on the national TV college basketball series on NBC comes as the Big O and his Cincinnati Bearcats meet Xavier of Ohio at Cincinnati Gardens.

This one's for the championship of Cincinnati and, in addition to giving you a look at the fellow considered the best of the collegians, ought to be quite a tussle.

Despite an 8-5 record, Xavier fields much the same team that clicked late last season for the National Invitation Tournament title. Cincinnati, with Robertson scoring at a 32.5 pace and handling the brunt of the rebounds and assists, has won 10 of 12 games and ranks sixth nationally.

Hank Stein, a fiery backcourt man, and Joe Viviano, a 6-5 scorer-rebounder, trigger the Xavier attack—one that is potentially exceptional off last season's showing but disappointing so far this campaign.

BARRY MACKAY GAINS TENNIS SEMIFINALS

By WILL GRIMSLEY

Associated Press Sports Writer
ADELAIDE (AP) — Barry McKay overcame a couple of temperamental outbursts today and belted his way into the semifinals of the Australian National Tennis Championships.

The big American from Dayton, Ohio, overcame second seeded Australian, Roy Emerson, 4-6, 10-8, 6-3, 8-6 and thus assured a United States player in the final.

McKay is paired against Alex Olmedo, the Peruvian hero of the U. S. Davis Cup victory, in one of Saturday's semifinals. In the other, top-seeded Neale Fraser meets fellow Australian Bob Mark.

McKay dropped the first set, but pulled out the second when Emerson doublefaulted. Thereafter he seemed to have things all his own way until he blew up.

The explosion came in the fourth set. McKay was ahead 2-1 in sets and 4-0 in games.

Loses His Temper
The situation changed suddenly as Emerson reeled off five straight points. McKay squared it at 5-5, but Emerson again forged ahead at 6-5.

With visions of losing, McKay became edgy and lost his temper. He flung his racket against the ground after missing one point and slammed the ball hard over the backstop and almost into the stands after muffing another.

Fortunately he collected himself in 6-6, broke Emerson in the 13th game, then held service again for the match.

Olmedo, whose celebrated stomach muscle has been acting up all week, continued to take treatments daily and announced firmly: "I will play."

NBA May Expand To Twelve Teams

DETROIT (AP) — The National Basketball Assn. kicked around the idea of expanding to 10 to 12 teams until the wee hours today and wound up just where it started — with a lot of ideas and no conclusions.

The owners—who comprise the NBA's board of governors settled only routine matters.

President Maurice Podoloff said the possibilities of expansion will be discussed at a special meeting in late February when the owners will determine playoff dates.

The governors met on the eve of the NBA's annual All Star game. The game, pitting stars of the Eastern Division against those of the Western Division, will be played tonight at Detroit's Olympia Stadium.

A delegation from San Francisco formally applied for membership. Other groups from Los Angeles, Portland and Seattle on the West Coast, along with Dallas, Houston, Chicago and Pittsburgh, have expressed definite interest in joining the NBA.

However, several owners said privately they doubt if the league will expand at all in the next year. Expansion, if it comes at all, likely is two years away.

BLAIK GIVES SIGNALS FOR LONESOME END

NEW YORK (AP) — Col. Earl (Red) Blaik, most prolific and successful in Army's line of football coaches, at last has made public the secret of the "lonesome end."

Blaik broke a four month silence on the method devised to give end Bill Carpenter — who never went near an offensive huddle — the offensive play when he was honored by the Touchdown Club Thursday night.

"You noticed that Caldwell (quarterback Joe Caldwell) would stand facing the huddle sometimes with his left foot forward a bit," Blaik said.

"Well, that meant a run. If the right foot was forward, there was going to be a pass. If his feet were together there would also be a run."

Returned Signal
"Now Carpenter had to take various cuts with each play and he would return the foot signal with a signal of his own to tell Caldwell which way he would go. The cut would be the same for a running or a pass play. His signal would be some motion, such as touching his helmet, tugging at his pants, or the like."

"Now wasn't that simple?" he asked as everyone looked at each other wondering whether it was as simple as Blaik described. But Blaik steadfastly held to another cherished secret, that of his successor at West Point when his resignation becomes effective Feb. 15. Blaik announced his retirement as Army football coach last week after 17 years at the post.

Blaik received the Touchdown Club award for his 25 years as a head coach, eight of which were spent at Dartmouth before he took over at Army in 1941.

JOHANSSON IS COMING TODAY FROM SWEDEN

By MURRAY ROSE

Associated Press Sports Writer
NEW YORK (AP) — Sweden's Ingemar Johansson was due here from Sweden today to wrap up negotiations for a title fight with World Heavyweight Champion Floyd Patterson.

The handsome, undefeated European titleholder was confident on two counts—he will get the contract and then the crown in the June fight.

"I'm sure I will win otherwise I would never sign my name on the paper," he said. "If you don't believe in yourself, you cannot be a boxer."

Share Optimism

He commented on boarding a U.S.-bound plane at Göteborg. Promoter Bill Rosenzohn shared Johansson's optimism that the fight will be made — for New York, Los Angeles, or Colorado Springs—despite some puzzling statements by Patterson's manager, Gus D'Amato.

It was learned from a good source that the fight is all set. This was told disclosed after D'Amato had said he still was negotiating with other contenders.

28 Under Par At Palm Springs

By BOB MYERS

PALM SPRINGS, Calif. (AP) — Long-hitting Paul Harney and Jim Ferree, a pair of former college golf stars, led the way into the second round of the \$15,000 Thunderbird Invitational Tournament today.

Harney, 29, who on occasion can outdrive the prodigious George Bayer, and Ferree, 27, who once won the intercollegiate driving title while attending the University of North Carolina, went into the second 18 holes tied at 66, five strokes under par.

The setting is the exclusive Thunderbird Country Club with par 36-35-71 for its 6,800 yards. Of the 41 invited professionals competing, 28 shot the first round under par.

Killed In Skid He Called Careless

LONDON (AP) — World Auto Racing Champion Mike Hawthorn was killed in the kind of car crash he said should never happen to a good driver.

The hard-bodied wheels of his dark green Jaguar skidded along a quiet, seemingly harmless English road. The car hurtled into a truck, careened off into a tree. The car was wrecked. Hawthorn was killed outright.

A few weeks ago at the pinnacle of his fame, the handsome 29-year-old Hawthorn declared confidently that a skid was "absolutely final brand of a careless driver."

"But it happens and you must learn what to do," conceded Hawthorn. Thursday, it happened on a carefree drive through the countryside.

GIANTS TO EYE HARD-HITTING FIRST SACKER

By JOE REICHLER

Associated Press Sports Writer
NEW YORK (AP) — The accent won't be on rookies in the San Francisco Giants training camp this year. There will be only a handful present.

The reason is obvious. Practically all the good ones were brought up last year. And what a collection. Orlando Cepeda, who walked off with rookie of the year honors; Willie Kirkland, the boy schmidt; Leon Wagner, Felipe Alou and Andre Rodgers.

All signs point to still another outstanding prospect this season. He is Willie McCovey, a tall, wiry first baseman who is said to be a better hitter than all of last year's rookies with the possible exception of Cepeda.

Hit For .319

Willie is the boy the Giants have been waiting to spring on the unsuspecting baseball public for several years. A two-year stay in the service interrupted their plans.

Last year, playing triple A ball for the first time, McCovey rapped Pacific Coast League pitching to the tune of .319. His extra base output included 37 doubles, 10 triples and 14 home runs. In addition, he drove in 89 runs. He is said to be exceedingly fast for a big man and can handle that glove.

Only three new pitchers will be in camp. They are right-handers Dom Zanni and Frank Funk and left-hander John Fitzgerald.

Funk is given the best chance to win a place on the staff, most likely as a relief specialist. He won 17 and lost seven at Corpus Christi but it was his workhorse tendencies that impressed the Giant brass. He appeared in 46 games, pitched 149 innings and posted a 2.60 earned run average.

Zanni was 14-11 at Phoenix. Marshall Renfro, an outfielder; Ben Valenzuela and Jose Pagan, infielders; and catchers Roger MacCardell and Al Steigltz, complete the freshman squad.

Next: Baltimore Orioles.

14 Countries Enter Tennis Grand Prix

LONDON (AP) — Jack Kramer professional tennis promoter, today announced plans for a European grand prix aiming at giving his tennis circus a competitive spirit.

The professionals will collect points for each success in an 80-day tour. Then the five top players will compete in a separate tournament to decide money placings. The prize money will run to at least \$56,000. The competition will start in Germany July 10 and move to Britain, France, Holland, Belgium, Denmark, Sweden, Norway, Turkey, Austria, Italy, Switzerland, Spain and Portugal.

Flies Alaska To Florida In 5 Hrs.

EGLIN AIR FORCE BASE, Fla. (AP) — Lunch in Alaska and dinner at Elgin, 3,850 miles away, that was Capt. Billy B. White's experience Thursday.

The test pilot from Caddo Mills, Tex., piloted a Republic F105 Thunderchief jet on a record non-stop flight from Eielson AFB, Alaska, to Elgin in five hours and 27 minutes.

The average speed was about 700 miles per hour. Official timing devices were not used, so no time record will be claimed. The Air Force said it was the longest non-stop flight by a fighter type aircraft within the continental limits of the United States.

Adams-Franklin Cage League

A scrappy Fairfield High School basketball team almost pulled the biggest surprise of the Adams-Franklin Basketball League season, barely losing to unbeaten Greencastle in an inter-division game Thursday evening at Fairfield 56-50.

The tall Greencastle team captured most of the rebounds but was outshot from the floor 22-17. Greencastle won the game from the foul line, sinking 22 of 30 tries as compared to but six of nine for Fairfield.

At the end of three periods the score was tied 36-36. It was nip and tuck the last period but Greencastle pulled ahead in the last minute of play to win its seventh straight.

Captain Dave Sprankle of Fairfield topped all scorers with 20 points. Jim Ruth added 14. Jim Oberholzer and Ron Johnston collected 15 and 13 for the winners. Johnny Sprankle of Fairfield was forced to miss his second straight game because of an ankle injury.

The Greencastle reserves won the preliminary 59-43.

Tonight's league games include: Fannett-Metal at Biglerville, Buchanan at Bermudian, Scotland at Littlestown, Quincy at New Oxford, and St. Thomas at Big Spring.

JORDAN BELTS VIRGIL AKINS

LOS ANGELES (AP) — Since he lifted the welterweight title from Virgil Akins of St. Louis, Los Angeles' Don Jordan has acquired a champion's confidence and pepped up his punching.

It took Jordan only three rounds Thursday night to dispose of Alvaro Gutierrez of Mexico in a scheduled 10-round non-title fight. They came in at 148 pounds each, one over the welter limit.

In the third, Jordan pumped a right hand with lightning speed to the Mexican Brawler's jaw. Gutierrez hit the deck, got up at five, and staggered into a neutral corner. Jordan swarmed all over him, pumping lefts and rights to head and body.

With his man helpless and about to sink to the canvas again, manager Lupe Sanchez climbed into the ring and asked Referee Mushy Callahan to stop the fight, which Callahan did. It was scored as a knockout after 1:32 of the third.

Gutierrez in a durable, hard-hitting welterweight who entered the ring with four straight victories. He carried the fight to the champion in the first, got over one hard right, and boxed Jordan on even terms in the second.

Jordan apparently saw that Gutierrez intended to crowd him, and he went out for the third intent on ending it.

BALKS PAY CUT

WASHINGTON (AP) — Gil McDougald says he would rather be traded away from the New York Yankees than take a pay cut.

"If I accept a cut," the infielder said, "I admit a weakness, and I have to think I don't have any or I'll give the game up."

McDougald said the Yankees' first contract offer for 1959 called for a cut of more than \$4,000 from the reported \$30,000 he received last season.

GRID PLAYERS' PENSION PLAN HAS NO CHANCE

PHILADELPHIA (AP) — There were two schools of thought at the National Football League's annual winter meeting today. To wit:

1. The players association is making progress toward a pension for pro football players.

2. The players association is being taken for the proverbial ride and has as much chance of getting a pension as a snow ball has of freezing in you know where.

The viewpoint depends on where you sit.

Bill Howton, Green Bay end who doubles as president of the association, and his committee of six feel they are making progress.

Commissioner Bert Bell of the NFL gives the impression of a patient father who is willing to listen, discuss and investigate and then give a reluctant, "No." The owners he directs apparently are of a like mind.

George Preston Marshall, volatile owner of the Washington Redskins, doesn't even bother with diplomacy or niceties. An avowed opponent of the association and its pension request, Marshall sits outside the meeting room like a petulant schoolboy whenever the players discuss the pension with the owners.

Neutral observers believe the pension doesn't have a chance unless some magic formula is evolved to produce \$213,000 in league contributed money to finance the plan.

In a nutshell, the plan involves a contribution of \$213,000 from league sources and \$125,000 from the players themselves. The plan would give the players, at age 65, \$10 a month if they played five years in the league. The benefits go up \$10 a month for each year of service over five.

Russia, Bulgaria May Lose Cage Tilts

SANTIAGO, Chile (AP) — Another victory by host Chile and official threats of forfeiture to balking Russia and Bulgaria left the World Amateur Basketball Championship in a scramble today.

Chile raced to its second straight victory in the final seven-team round robin competition Thursday night, 83-71, over Puerto Rico after Brazil had won its opening game, 94-76, over Nationalist China.

Russia and Bulgaria, having refused to play Nationalist China because "they do not represent a nation," now face forfeiture of all victories by the International Basketball Federation.

The United States, a hand-picked Air Force team, meets Puerto Rico and Bulgaria faces Brazil in Friday's doubleheader.

STOCKS GOOD BUSINESS FOR OLDER WOMEN

By DOROTHY ROE

If you're a woman, preferably over 40, possibly a widow and interested in investments, you can make good in Wall Street. Previous business experience is not necessary.

"Wall Street is one place where age is an advantage instead of a liability," says Mrs. Margaret Kennedy, active general partner in a Stock Exchange firm which recently added her name to its title. "There are many women who have gone into the brokerage business after middle age and are making great successes. Often they are widows suddenly faced with the responsibility of investing their own money. They start by asking advice of friends and often end up by giving advice to these same friends."

Sound Advice

"People are likely to have confidence in someone with experience. A woman who has invested her own money wisely can give sound advice to others. On the other hand, an investor might be charmed by some cute young thing of 22, just out of college, but he wouldn't take her financial advice very seriously."

Mrs. Kennedy, however, is an exception to her own rule. She has been in the investment business since the age of eight, she announces proudly.

"My father was a St. Louis lawyer who suddenly got interested in stocks, and he taught me to make a stock chart for him every day," she said. "Later, when he moved to New York and started publishing The Wall Street Analyst, I worked in his office at the age of 15 and later became editor."

Mrs. Kennedy was married at

Missing Widow Sought By Police

LAS VEGAS, Nev. (AP)—Police started east Thursday with Larry Lord Motherwell, still hoping to find some trace of a missing widow.

Motherwell, 42, is charged at Frederick, Md., with murdering his daughter, 14-month-old Heather.

The fate of the widow, Pearl Putney, 72, remained a mystery. Mrs. Putney has been missing since last summer when she drove to Las Vegas with Motherwell on what she called a last fling. Motherwell says he last saw her in Las Vegas in August.

Two Frederick officers planned to stop at Flagstaff and Tucson, Ariz., and in Texas on their way with Motherwell, hoping to pick up clues to Mrs. Putney's whereabouts. The prisoner said he visited those places since seeing her.

Two Large Banks Consider Merger

NEW YORK (AP)—The fourth and seventh largest banks in the nation are exploring the possibility of a merger.

They are the Manufacturers Trust Co., fourth with assets of \$3,664,000,000 as of last Dec. 31, and the Bankers Trust Co., seventh with assets of \$3,126,000,000. If the banks unite, their combined assets still would not match the First National City Bank of New York, the nation's third largest bank with assets of \$7,926,000,000.

The largest is the Bank of America in San Francisco and the second largest is the Chase Manhattan Bank of New York.

16 and widowed at 20, at which time she started her Wall Street career in earnest. She has one son, one daughter, and two grandchildren, lives in a Manhattan apartment and spends most of her waking hours studying the market.

MUSIC, ATOMS, DELINQUENCY TV OUTLOOK

By CHARLES MERCER

NEW YORK (AP)—The coming seven days can't be called the most memorable week of the season on television, but there are several programs well worth the twisting of a dial. For example:

If you enjoyed the radio programs of the late Walter Damrosch, take a look with your children at noon on Saturday at "Young People's Concert of the New York Philharmonic" with Leonard Bernstein as host and conductor over CBS.

Sunday afternoon Bernstein and the Philharmonic will be seen and heard again in their regular monthly program. The theme of the program, which made such an excellent debut last month, is the use of jazz by modern composers of serious music both in this country and abroad.

Atoms, Delinquency

"NBC Kaleidoscope" offers a detailed report on the new possibilities in nuclear research being revealed at Brookhaven National Laboratories on Long Island. Also Sunday afternoon, on CBS "Twentieth Century" presents the second part of an excellent examination of juvenile delinquency.

"Maverick" does another twist away from its Western origins Sunday night on ABC with Richard Brinsley Sheridan's 18th century comedy, "The Rivals." Later Dan Dailey makes a rare TV appearance on "General Electric Theater" over CBS as a trumpet player in "Bill Bailey Won't You Please Come Home."

Hitchcock Opens

There is another rare TV dramatic appearance Sunday night on CBS when Better Davis stars on "Alfred Hitchcock Presents" as a middle-aged spinster whose mistaken identification of a robbery suspect sends a young man to prison for a year.

Wednesday night the "Du Pont Show of the Month" will present an adaptation of Sir James M. Barrie's "What Every Woman

Man Dies After Giving Of Himself For 17 Years

CHICAGO (AP)—Some might say George Behrendt lived a tragic life. Others might disagree. But thousands will remember him as a young man who had so much to give.

George had neither health nor wealth. His bounty was nothing more than his attitude toward life. More than 13 years ago, when he was 17, he was brought unconscious to Wesley Memorial Hospital. He had suffered a spine injury in an accident while operating an elevator. Doctors told him he never could walk again.

George could have given up. He decided to make the hospital or hospital department his world.

Cheer Other Patients

Lying face down on a surgical cart, he would wheel himself around the department to cheer up other patients. He called the

hospital halls his special track. Patients, the doctors and the nurses became his friends.

There began a steady stream of visitors and greeting cards to his room. Patients and former patients dropped in. Each year the flow of Christmas cards increased. Last year there were more than 4,500.

Although they were permitted to take him home for occasional short visits, his parents, George Sr., and Ida, rarely were able to visit with him in private at the hospital because of the crush of visitors.

George didn't make his rounds last Thursday. He lapsed into a coma which doctors said was caused by a stroke.

His parents remained at his bedside throughout the weekend. The end came quietly Tuesday.

SCANT HOPE TO OPEN SCHOOLS IN LITTLE ROCK

LITTLE ROCK, Ark. (AP)—Most Little Rock high school students and their parents apparently are resigned to finishing this year without public schools, despite recent court moves to reopen the facilities immediately.

"It's too late to do any good this year," said one mother. "My Billy is settled at a private school, and he'll probably stay there because we couldn't be sure the public schools would stay open if they are reopened."

The speaker was representative of thousands of parents who first looked on school closing as a temporary measure but who now are prepared to extend emergency educational provisions indefinitely, certainly through this school year.

700 Out Of School

Caught in a massive battle between federal and state governments on the school integration question, 2,000 Little Rock students this week finished first semester work in schools in other communities. Some 1,100 more are nearing mid-term at newly organized private schools here.

About 700 students, including 450 Negroes, remain out of classes altogether.

Community sentiment is divided on the school issue. Many prefer that the schools remain closed if integration is the only alternative.

Students apparently continue to take the situation in good spirits. The novelty of attending new schools, even at great inconvenience, has not worn off. Many said they prefer the new schools to the old, mainly on grounds that they are smaller, more friendly.

Mental Hospital Again For Gene

HOLLYWOOD (AP)—Actress Gene Tierney has withdrawn from a comeback movie role and returned to a mental institution, her studio says.

The 20th Century Fox Studio said Wednesday Miss Tierney has re-entered the Menninger Clinic at Topeka, Kan. She withdrew from the movie "Holiday For Lovers," which begins shooting in 30 days.

Miss Tierney, 37, spent eight months in the institution before being discharged last September. She had spent 18 months earlier in a private institution in Hartford, Conn.

Girl Scout Saves Younger Sister

ST. LOUIS (AP)—Girl Scout Diane Ailer of suburban Affton has done her good deed and it should take care of some days to come.

Diane, 12, dove into the frigid waters of a creek and saved her younger sister, Cynthia, and a seven-year-old neighbor, Russell Berryman. The three plunged into the water when ice gave way while they were riding on a sled. Neither Cynthia nor Russell can swim.

ARMY FINDS 13 LUCKY NUMBER

CAPE CANAVERAL, Fla. (AP)—The Army says it has hit the target on the 13th launching of its Jupiter intermediate-range ballistic missile.

The first tactical model of the 60-foot war rocket soared 1,700 miles over the Atlantic Wednesday night on another successful space test, the Army said.

This was the first Chrysler Corp. Jupiter flown. The previous ones were fabricated at Redstone Arsenal, Huntsville, Ala.

The new Jupiter was very similar to the operation version that will be assigned to NATO forces in Europe in the near future.

It was the first Army launch since Dec. 13 when another Jupiter carried a small monkey named "Gordo" on a 1,500-mile trip. Although the firing was termed successful the monkey was not found.

Growing Up

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I Corinthians	13	11-13
Monday	II Timothy	3	15
Tuesday	Psalms	144	9-15
Wednesday	Psalms	92	1-15
Thursday	Ecclesiastes	7	8
Friday	I Thessalonians	5	14-15
Saturday	Hebrews	12	1-2

Would you like to be a child forever? Would you like to go sledding each time it snowed without a thought of shoveling the front walk or checking the firewood supply?

If at first you say yes, think again. Childhood is wonderful, but there are few of us who would want to be confined to it forever. Our natural urge toward growth is a strong one. We instinctively want to progress mentally, physically, and spiritually.

Nature will take care of a large part of the mental and physical part of our growth. But for our spiritual development, we must look toward the Church.

It is never too late to start learning—and you will find the Church the most patient of teachers. Start attending services this Sunday.

Sunday School Lesson

By H. R. and M. C. Gold

JESUS REVEALS HIS AUTHORITY
Matthew 21:12-13, 23-27

Key Verse: He taught them as one who had authority. Matthew 7:29

The time had come when Jesus must assert His authority and openly attack the religious forces and practices carried on at the Temple. By so doing He was striking at the center of the Hebrew faith — the religion in which He was reared. In this lesson on the cleansing of the Temple at Jerusalem He aroused not only the hatred and anger of Pharisees, Sadducees, and scribes, but the amazement and concern of His own band of disciples. Was Jesus acting like the Messiah? Did He realize the effect of His attack on the populace?

The righteous anger of Jesus was directed at the abuses of the sacrificial system, not at the system itself. When He drove out those who sold and bought in the temple, overturning the tables of the money-changers and seats of those who sold pigeons and animals for sacrifice, He said, "It is written, 'My house shall be called a house of prayer'; but you make it a den of robbers." Jesus' cleansing is recorded in all four Gospels, and the reporting varies slightly but the incident remains the same.

2 Large Businesses

This act took place in the outer court (Court of the Gentiles) in Herod's Temple. Two large businesses were conducted there — the exchange of foreign currency for Jewish coinage and the sale of sacrificial animals needed for the Passover festival. It was a veritable bazaar and Jesus knew that the Temple treasury profited largely. Money-changing was a common occupation in the East with fees charged for the changing of monies.

How could such an atmosphere of commercialism be any inducement to prayer? Jesus had read of denunciations of the abuses of temple practices in the Old Testament. Was it not the very scene of Jesus' first visit to the temple as a lad of twelve when He spoke of it as "My Father's House?" Here in the same court business, politics, religion were tolerated and encouraged. It was a contradiction to true worship and deserved the denunciation of our Lord. Since judgment may begin in the house of God, Jesus' can be considered a Messianic act.

Naturally the chief priests and elders challenged Him, saying, "By what authority are you doing these things, and who gave you this authority?" The full opposition was present: chief priests who were the heads of the hierarchy; the scribes, authorized teachers generally called rabbis; and the elders, members of the Sanhedrin or religious court. Where did Jesus fit into this religious pattern? He was not an ordained rabbi and could not teach, and He had no right to preach according to the Hebrew leaders.

"Miracles Of Healing"

How could Jesus explain to his enemies His authority for teaching, for performing miracles of healing, for cleansing the Temple? He put a question to them about John, the Baptist which they were unable to answer. Their refusal to answer made it unnecessary for Jesus to reply, and the victory of the verbal battle was His.

The cleansing of the Temple was an attack on Hebrew religious prestige which helped create more agitation among the leaders and people. But Jesus knew that these very men had permitted prayer and the true worship of God to be entirely obscured and the Temple court to be made "a den of robbers." Jesus had a divine right to act as He did. Cutting off the Temple from its revenue would not be forgotten and all the forces combined against Jesus to arrest Him and make charges against Him when the right time came.

Comparisons between the Temple of Jesus' day and the Church of the Holy Sepulchre in Jerusalem have been made because the latter is little more than a shopper's haven. Clever salesmen soon convert the pious pilgrim into a mere shopper.

HARRISBURG (AP)—Two men and a woman were found guilty of narcotics law violations Wednesday by a jury in the U.S. Middle District Court here.

William A. Wilson, 37, York, and Nicholas Calla, 24, Harrisburg, were found guilty of possession and sale of narcotics.

Mrs. Geraldine Carter, 29, Philadelphia, was found guilty of possession of narcotics.

The three were held for pre-sentence investigation.

YOUNG RACING CHAMP KILLED IN AUTO CRASH

GUILDFORD, England (AP)—World champion automobile racing driver Mike Hawthorn, who announced his retirement from racing last month, was killed on Thursday in a car crash on an English road.

Hawthorn's sports car skidded for 100 yards on the wet highway, struck the back of a truck, overturned and crashed into a tree.

The blond, 29-year-old champion was alone in the car.

Hawthorn's father was killed in a motor crash in 1953.

The death of Mike Hawthorn reduced the great racing triumvirate of Englishmen to one. Peter Collins was killed in the German Grand Prix last August. The remaining member is Stirling Moss.

Britain's Great Hero

For nearly two months Hawthorn had been going from banquet to banquet and from one testimonial to another. He was Britain's great hero, for he was the country's first winner of the world racing championship.

Hawthorn was to have gone next year to the United States, where he raced several times, with water speed king Donald Campbell for an attempt to set a world land speed record.

Hawthorn insisted he would never race cars again, but he said acting as Campbell's deputy driver was not racing—it was just a speed attempt.

He is survived by his widowed mother, who helped in his garage business at Farnham.

WASHINGTON (AP)—Marriages increased during November but the number of births continued to decline, the Public Health Service estimated Thursday.

The service figured there were 119,000 marriages during November, an increase of 0.8 per cent over the November 1957 total of 118,000.

There were an estimated 341,000 births during November, down 1.2 per cent from the 346,000 for the 1957 months.

BONN, Germany (AP)—A high official of the Communist East German spy network who fled to the West said today 60,000 Red spies are operating in West Germany.

Lt. Col. Siegfried Dombrowski, 43, deputy chief of the East German army's espionage organization, defected 10 days ago. His defection was announced Wednesday but his identity was withheld until his family also reached asylum.

ORRTANNA — February 10 is the date set for making doughnuts by the members of the Margaret Donaldson Bible Class of the local Methodist Sunday School in the church hall. This date was incorrectly given previously as February 7. Orders in advance will be appreciated. Mrs. Mary Tressler is teacher of the class.

The monthly meeting of the Young Adults' Class of the Mt. Carmel EUB Sunday School was held in the church hall recently with the teacher, Ira K. Naugle, as leader and Mr. and Mrs. Clyde Metz serving as hostess. Refreshments and a social hour followed the program.

Mr. and Mrs. Paul Wetzel visited on Sunday with Mr. and Mrs. Allen Stevens in Hanover, brother-in-law and sister of Mrs. Wetzel.

Mrs. Clyde Chapman and Mr. and Mrs. Edwin Chapman and family visited on Friday with Mr. and Mrs. Roy Chapman enroute to their home in Orlando, Fla., from Lockport, N. Y., where earlier in the week they attended funeral services and interment for Clyde Chapman, an Orrtanna native who died in Orange Memorial Hospital in Florida on January 6. The deceased was a brother of Roy and Curtis Chapman of here.

Miss Marie Wetzel arrived at the home of her parents, Mr. and Mrs. Dale Wetzel, for a week's vacation from her studies at Millersville STC.

Mr. and Mrs. Richard Weaver, Hagerstown, spent Wednesday with Mr. Weaver's brother-in-law and sister, Mr. and Mrs. Raymond Pepple.

Mr. and Mrs. Luther Wetzel and Mr. and Mrs. John Wetzel, Gettysburg, were among those who attended the Farm Show in Harrisburg on Friday.

Mr. and Mrs. Leroy Shugert and sons, James and Kenneth, Dillsburg, were recent visitors with Mr. and Mrs. Ira M. Walter.

WOMEN VOTE \$75 TOWARD CONVENT FUND

The St. Aloysius Parish Council of Catholic Women voted a contribution of \$75 to the Convent Fund to pay for one of the windows in the Convent Chapel at their monthly meeting on Wednesday evening in the parish hall and they discussed plans for a public card party and a food sale on March 17 and April 10, respectively.

The meeting opened with prayer by the pastor, the Rev. William A. Boyle, and was in charge of the president, Mrs. Clyde H. Rohrbach. Reports were heard from Mrs. Regina Arter and Miss Marie Budde. The monthly message from the national president was read by Mrs. Mark Redding, vice president. A contribution of \$5 was voted to the March of Dimes.

The president announced that the annual Day of Reflection of the Conewago Deaneery Council will be held on Sunday, March 1, at St. Joseph's Academy, McSherrystown. Members of the local council planning to attend should give their reservations to Mrs. R. G. Lain, spiritual development chairman, prior to February 22. It was reported that more than a thousand pieces of clothing had been collected for overseas relief and Mrs. Z. W. Sanders, local foreign relief chairman, made the annual appeal for new clothing for children for the Holy Father's storehouse.

Convention In April

The council decided to have a public card party on Tuesday, March 17, in the parish hall, with Miss Marie Budde as general chairman. The committee to assist will be announced in the near future. The proceeds will go to the Convent Fund. It was also decided to have a food sale on Friday, April 10, for the benefit of the council treasury. Mrs. Thomas L. Cookson Sr. will be chairman of the committee which will also include Mrs. George P. Smith, Mrs. Noah C. Snyder, Mrs. Harry W. Stavely Sr., Mrs. Thomas Stavely, Mrs. Bernard J. Kuhns, Mrs. Bernard G. Kebill, Mrs. Harold Lynch, Mrs. Z. W. Sanders, Mrs. Francis Prato and other volunteer members of the council.

It was announced that the quarterly reports of all parish chairmen should be in the hands of their deaneery chairman by February; also that the diocesan convention this year will be held in April, instead of May, in Steelton.

Mrs. Thomas French, chairman of libraries and literature, announced that February is Catholic Press month and at the meeting on Wednesday, February 18, following the Lenten devotions, there will be a magazine and book display and exchange. It was noted that anyone having extra magazines and books which they wish to dispose of, may take them to this meeting and the pastor will take them to Camp Hill.

Hear Mrs. Killalea

Mrs. Bernard M. Selby, general chairman of the parish merchandise club, explained how the club works and invited new members to join the new club to begin with in a few weeks. Proceeds from this parish project go to the Convent Fund. Father Boyle spoke briefly, congratulating the women on their work, and also gave flashbacks on the recent deaneery dinner meeting.

The guest speaker for the occasion, Mrs. Edwin J. Killalea, Gettysburg, who is president of the Conewago Deaneery, was introduced by Mrs. Bernard J. Kuhns, parish chairman of family and parent education, which was the program theme. Mrs. Killalea said: "Love of child, like love of God, does not mean sentimentality, but duty. There is a mistaken notion that discipline is the same as punishment but it is not. It means to teach and the best discipline is that which teaches, not that which hurts." It is parents' duty to see that the community in which a child lives is the proper kind of community, as much as it is a duty to provide the proper home, she added.

Educational Display

This year, the aim of the Family and Parent Education committee of the National Council is preparation of youth in the home for marriage, and the program includes information concerning the sacrament, the economical view, the physical side, etc. Mrs. Killalea, a teacher in the parochial school in Gettysburg, also touched briefly on education, noting that

a book can open all the world to a child, and stressing that parents should be wise in the selection of books purchased.

There was a display of educational material arranged in the hall, in four age groups, the tiny tots, school age, teen-age and adult, centering around the Holy Family, the Mass and the Rosary, featuring books and statues for each group. The guess package, contributed by Mrs. Bernard G. Kebill, was received by Mrs. Regina Arter. Refreshments were served by the evening's committee, headed by Mrs. Kuhns.

The Feb. 18 committee, in addition to the chairman, Mrs. French, will include Mrs. Daniel Dietrich, Mrs. Albert Ozminski, Mrs. Andrew J. Wright, Mrs. Donald Belford, Mrs. Diamond DeHoff, Mrs. Richard Schuchart, Mrs. Joseph Rang, Mrs. John Todd Jr., Mrs. B. Roy Kebill and Mrs. John Todd Jr.

Badge Work Done By Girl Scouts

Work on the Rambler Badge continued at the weekly meeting of Intermediate Girl Scout Troop 45 on Wednesday after school in the engine house. The members, by patrols, presented skills as follows: Patrol One, Mrs. Edwin W. Elder Jr., leader, dramatized "The Wise Old Owl"; Patrol Two, Mrs. John Kump, leader, "The Greedy Lion"; Patrol Three, Mrs. John H. Flickinger, leader, "The Bear with the Short Tail." Orders for the sale of Girl Scout cookies were received and must be turned in no later than Monday to Mrs. Flickinger.

The games badge work will begin at the meeting next Wednesday at 3:30 p.m. A notebook on games will be prepared, listing games suitable for hikes, camping, indoors, parties, etc. As a home assignment, each girl is asked to prepare a game, listing the number of people who can play, equipment needed and rules.

Prior to the meeting on Wednesday, the troop committee met for the purpose of discussing a fund raising project for the benefit of the troop treasury. It was decided to send questionnaires to the girls' parents, asking their choice of projects.

Terry E. Brown Gets His Degree

Terry E. Brown, son of Mr. and Mrs. Preston D. Brown, Crouse Park, was a member of graduation ceremonies held at the Shippensburg State Teachers' College on Sunday when he received a Bachelor of Science degree in Secondary Education.

He has been doing student teaching at Carlisle High School, where he has accepted a full time position, teaching mathematics and science. Brown is a 1955 graduate of Littlestown High School.

Attending the ceremonies, in addition to his parents, were his sister, Mrs. R. Kenneth Boyd, and his uncle and aunt, Mr. and Mrs. Wilbur E. Mackley.

"The Repair of Electric Cords" will be discussed at the meeting of the Littlestown Homemakers on Monday, 7:30 p.m., at the home of Mrs. William J. Lippy, Littlestown R. 1.

Volunteers of Alpha Fire Company No. 1 responded to a call at 12:10 p.m. on Thursday to the dwelling house of Joseph H. Myers, Monarch St. No damage resulted from the chimney fire. Two pumps and the service truck were taken to the scene.

A shooting match will be held by the Littlestown Fish and Game Association, Inc., on Friday, Jan. 30, 7:30 p.m. at the Fish and Game Farm. Hams and cash prizes will be given. Two shots for \$1; free shoot for shooters with four or more shots. Twelve gauge guns will be used and shells will be furnished. Refreshments will be available in the farm clubhouse.

The committee in charge of arrangements includes Ivan E. Arentz, Edward H. Leister, Robert Gladhill, Kenneth Bortner, Marvin Miller, Hadley W. Blocher, W. E. Stites, Earl L. Stites, Paul L. Hollinger, Kenneth Byers, Charles W. Snyder and George C. DeHoff.

The first dance of the new year for the Girl Scouts of the community will be held on Monday evening in the social room of the Eagles Home, W. King St., from 7 to 9 o'clock. Light refreshments will be served.

TAKE PRECAUTIONS

HARRISBURG (AP)—William L. Henning, state agriculture secretary, says additional food agents will be sent to the flooded areas of Pennsylvania to investigate for contamination of food or drink.

Henning Thursday ordered the department's Bureau of Foods and Chemistry to inspect all inundated grocery stores and food markets as soon as flood waters recede.

He warned persons in the flooded areas against using any food or drink contaminated by flood waters and said any foods or food containers that the inspectors find to be contaminated will be tagged for destruction.

Timely Tips Are Supplied By Business Folk In Area

"A new home is the mark of persons who think ahead," says I. H. Crouse and Sons, Inc., the building contractors in Littlestown. And Crouses are ready to help customers think ahead on home building.

A display ad on these Business Review pages today lists five reasons why "you should build your own home" and heading the list is the statement: "Building is cheaper in the long run than renting." Other reasons follow with an offer from I. H. Crouse and Sons to help prospective home builders design a home that will fit their budget, their needs and offer top value for every dollar invested.

"Smart people build or buy before a boom," say Crouses and there are lots of folk in this area waiting for spring's arrival to start work on new homes for them.

EMERGENCY DECLARED IN FLOOD AREAS

HARRISBURG (AP)—A state of emergency in flooded sections of northwestern Pennsylvania was declared Wednesday by Gov. Lawrence, clearing the way for local emergency expenditures to combat the flooding.

The governor also sent a telegram to President Eisenhower, asking that the federal government declare a similar state of emergency. The federal action would make the communities eligible for federal disaster aid.

In telegrams to Pennsylvania's Congressional delegation, Lawrence reminded the lawmakers that much of the flood damage probably would have been averted if the proposed Kinzua Dam project in northwestern Pennsylvania had been completed.

Miners Trapped

Mines secretary Joseph Kennedy was told by Lawrence that he could have "anything he needs" to cope with a mine disaster in Pittston.

Some 45 persons were reported trapped below the surface yesterday by flooding river waters which ran into the mine shaft. Later reports showed 33 rescued and 12 still missing Wednesday night.

Lawrence urged "that the governing bodies and executive officers of all stricken political subdivisions of the Commonwealth immediately act as may be necessary to meet the current emergency in the light of existing exigencies and as legally authorized under the proclamation of extreme emergency."

Worst Since 1913

He described the procedure: "By the employment of temporary workers, by the rental of equipment and by entering into such contracts and agreements as may be required to meet local weather problems, all without regard to time - consuming procedures and formalities prescribed by law."

The governor said the state justice department advised him that under law local government units are required to finance the operations out of local funds, but without regard to normal budget restrictions.

The U. S. Corps of Army Engineers, Pittsburgh, told the governor's office that the Sharon flood "was the worst since 1913."

North Dakota's 1958 football championship was the school's ninth since 1922 in the North Central Conference.

Asks Facts About Pa. 'Ten Percenters'

HARRISBURG (AP)—A Republican legislator has urged Gov. Lawrence to bring out any information he might have on "influence peddlers."

Rep. W. Stuart Helm (Armstrong), chairman of the House GOP Policy Committee, referred to Lawrence's statement to his first Cabinet session Thursday that he would not tolerate any dishonesty in government.

"Gov. Lawrence's statement that 5 and 10 per centers will not be tolerated in his administration raises a valid question whether such influence peddlers existed under that of his predecessor," Helm declared in a statement.

"I don't believe a governor with the political adeptness demonstrated by Lawrence would cry 'wolf' if there is no need for alarm," Helm added.

WESTINGHOUSE AWAITS ORDER ON BIG PLANT

PITTSBURGH (AP)—Westinghouse Electric Corp. says it is prepared to develop, design, and manufacture a nuclear power plant six times the capacity of any commercial nuclear plant now in operation.

Westinghouse said Thursday the plant would have a rated capacity of 330,000 kilowatts and could produce power at costs competitive with fossil fuels in the higher fuel cost areas of the United States.

Built Experimental Unit
The commercial nuclear power plant at Shippingport, Pa., is now the biggest with a rated capacity of 60,000 kilowatts. It was constructed primarily as an experimental station.

Charles H. Weaver, vice president in charge of atomic power at Westinghouse, said the plant would be of an advanced pressurized water reactor design. This type has been carried to the most advanced state of development in the nation's civilian atomic power program, Weaver said.

Awaits Order
The company did not say where the big atomic plant could operate competitively with plants generating power from coal and oil. Westinghouse did say its claim would not pay to such areas as Pennsylvania, West Virginia and Illinois where coal is mined.

It is the first time Westinghouse has mentioned a nuclear plant that would be competitive

MANY WATCH RAMPAGING ALLEGHENY

By DAVE LEHERR

PITTSBURGH (AP)—Fort Duquesne Boulevard was a mass of people and autos Thursday night — all watching the rampaging Allegheny River.

None seemed to realize the danger of possible ice jams or an all-out flood. The general feeling was more of curiosity, entertainment and amazement.

"Gee, daddy, look at all the ice! Isn't it beautiful?" was the reaction of one little girl.

"It looks cold in there," another woman said, jumping back into her car.

No One Worried

Spectators, with collars up and hands in their pockets, watched the ice parade. It sped down the river 8 to 10 miles an hour.

Meanwhile, state police were busy trying to clear up the minor traffic jams caused by the spectators.

Some young men brought their dates to see this spectacular of nature. No one was worried. This was a show.

"Not nearly like the floods of 1936. They were the real floods," one observer remarked.

Began To Fall

On the other side of the river, the story was a little different. Several persons could be seen moving their belongings to higher

with either coal or oil. The two are now the most commonly used fuel fuels in producing electricity.

Weaver said the proposed plant is part of the company's multi-front program to develop economic and useful atomic power. The company says it is prepared to take the initial steps in building the plant anytime it receives a customer's order.

levels. Parking lots near the river were covered with water.

City police reported that a \$10,000 cabin - cruiser had been fished out near the 16th Street Bridge.

Water pumps were in use all over the lower North Side. The area consists mostly of warehouses. The Manchester Bridge Ramp, leading to Pittsburgh, was closed because of high waters.

Ice continued its hurried progress. Both shores of the Allegheny were jammed with ice, solid enough to walk on in places. Temperatures were close to zero.

The river began to fall about 10:30 p.m. then slowly the crowd began to break up and head for home or warmer quarters. The show was over.

14 WITNESSES ARE CALLED ON HOUSING BILL

By G. MILTON KELLY

WASHINGTON (AP)—Senate Democratic leaders called 14 witnesses Friday to counter the Eisenhower administration's appeals for enactment of its own housing program.

The witnesses included spokesmen for the National Housing Conference, the AFL-CIO, Americans for Democratic Action, American Institute of Architects, and others who have called for bigger programs than President Eisenhower has asked.

Sen. John Sparkman (D-Ala.), presiding over Senate hearings on the hotly disputed program, predicted that a one-package housing bill far broader and more costly than Eisenhower wants will be passed by Congress before the end of February.

Want Single Bill

The Democrats, with commanding majorities in both Senate and House, are driving for a swift passage of a comprehensive housing program in a single bill. It would contain money and authority the

President describes as urgently needed to keep some housing activities alive, plus many other items he believes should be cut or otherwise amended drastically.

Eisenhower has demanded a hold-down on federal spending to achieve a balanced budget.

Norman P. Mason, federal housing administrator, and other administration spokesmen appealed Thursday for action now on emergency needs, with less urgent matters to be considered later.

Democrat Demands

They called for quick action on a bill to provide 100 million dollars of new money for urban renewal grants, 200 million dollars for college housing loans, and an increase of 6 billion dollars in FHA mortgage insurance authority.

Sparkman told reporters he sees no likelihood that the Senate Banking Committee conducting the hearings would adopt the two-bill approach. He said he feels an omnibus bill would be ready for Senate consideration by Feb. 2.
